## BUDGETING FOR PET CARE

*Preparing for a pet is like budgeting for any significant milestone: preparation is key*

### SET MONEY ASIDE MONTHLY

Estimate your monthly pet expenses (you can use the expenses listed in the section above as a starting point—make sure you factor in annual expenses as well). Budget for that amount as you would a monthly bill.

### CREATE A PET EMERGENCY FUND

Pet owners are likely to incur at least one \$2,000–\$4,000 bill for emergency care at some point in their pet's lifetime. Create a separate fund for pet-related emergencies to protect your personal savings goals.
